Shut Up & Dive

Greetings NABS Members and Guests,

We hope you will join us on Ambergris Caye, Belize for the 27th Annual Dive Summit. The summit will have lots of diving, dive training, dancing, and fun with old and new friends.

Ambergris Caye is the largest island in Belize, located northeast of the country in the Caribbean Sea. It is about 25 miles long from north to south, and about 1 mile wide. San Pedro Town is the largest settlement and only town on Ambergris. The main attraction on Ambergris Caye is the Belize Barrier Reef, which is the second largest in the world.

Ramon's Village Resort has sixty-one (61) cabanas built from native materials and covered with thatched roofs, the rooms range from garden views to ocean fronts. The resort itself is surrounded by Royal Palms, bougainvillea, lilies, hibiscus, and Mayan sculptures. The resort has 61 rooms that range from garden views to ocean fronts, there are only a certain number of specific rooms, so book early!

Getting to Ambergris Caye

There are no international flights that go directed to San Pedro, Belize, so to get there you can need to fly into Belize City (BZE) on United, American, or Delta into Belize International (BZE). Once you are in Belize City you can do one of two things to get to San Pedro:

1. Fly Maya Island Air (<http://www.mayaislandair.com/>) or Tropic Air (<https://www.tropicair.com/en/>) from Belize International Airport (BZE) to San Pedro (SPR). You also have the option of having Ramon's Village book the flight from Belize City to San Pedro for you, to do this you contact them directly by emailing and tell them you are with the NABS Summit.

The planes to San Pedro are small planes that seat about 8 passengers, so book early, and pack light!!!

2. Take the [San Pedro Belize Express Water Taxi](#) (SPBE) to San Pedro. To do this you need to take a taxi to the Belize Water Ferry terminal which is about 25 minutes away, at a cost of USD \$20.00. Once you get to the terminal, you need to take the water taxi to San Pedro, which is a 90-minute trip, at a cost of \$20 one-way, or \$35 round-trip. You can get your tickets online or at the terminal.

The water taxi is a better option if you don't like small planes, and have a lot of luggage.

Diving

**NATIONAL ASSOCIATION OF BLACK SCUBA DIVERS
27TH ANNUAL DIVE SUMMIT
RAMON'S VILLAGE RESORT
AMBERGISE CAYE, BELIZE
NOVEMBER 4 – 11, 2017**

The dive shop is located right on site, and we will have seven dive boats at our disposal, and dive locker to store gear after each dive. The dive package includes six days of diving, with three (3) dives a day at 9:00 am, 11:30 am, and 2:00 pm. Since the dive sites are a 5 to 15 minute boat ride from the dock, the boat returns to the dock between dives to exchange scuba tanks and allow you to have a surface interval; this will allow you to choose any combination of dives each day.

Ramon's Village will also be offering a day trip that includes the Bluehole, the Lighthouse, and the Aquarium dive sites. This day trip can be purchased onsite at their Ramon's Village dive shop for \$208.75 tax, the price includes the park fee and lunch. This day trip is not a NABS sponsored trip, therefore it can only be purchased at Ramon's Village dive shop.
