"Note: Participants must be at least 10 years of age, weigh no more than 275 lbs., be in good health and present a certification card. Completion of a waiver is required. Due to restrictions by the Dive Provider, any SCUBA participants currently taking any medication or with a previous medical condition should bring a note from their primary physician stating that they are medically cleared to participate on a SCUBA excursion. Children 10-11 years of age will require a private dive master at an additional fee. Dive Certification Card and proof of diving at least once within the past 12 months is required."
