Non-Refundable Deposit: 10% of Trip Cost

Non-diver amenities and activities

Non divers will receive several complimentary day tours. The tour is focused on nature tour of the province. Visiting falls and picnic on water stream and scenic tour of the mountain on the way to these places. The land tour is 2 days. Also a visit to town. The spa will be another 2-3 days depending on the services selected below then the rest of the stay will include snorkeling and island picnic. Please see below the spa services. Most of our guest will do the spa treatment after all the snorkeling and land tour are completed. All of these services are at no extra charge and included in price.
